Board Member Karen Esdale thanking Nathan Bassett after his address at the Launch of Women's Pennants.

Women's Coach Peter Hughes was very pleased to hear Nathan's speech emphasising that for every bowl, we need to go through a consistent process much the same as a footballer does in the 30 seconds prior to a kick on goal

President Rod expressing his opinion that Nathan Bassett gave a 'world class speech that absolutely hit the mark!'

Peter presented the story of how Women's Pennants re-started thanks to the 45 new women - The Originals, The Foundation Members, The Expansion Group and now 'The Class of 25' who have joined in the last 24 months.
