Welcome Message

David McVicar

Club President

Greetings,

I would like to thank Rod Ettridge for his fantastic service as President as well as retiring Board Members, Wyatt Groth, Riley Harrison, Wendy Rutten and Rosalie Rotolo.

What an exciting year ahead for SBC!

Winning two Premierships last season means that our Saturday top side will play in Division Two, while our Thursday women's top side will play in Division One. With Izzy continuing as Coach, let's all work together towards continued success on the greens.

We are hopeful that the Redevelopment will commence in March 2027. The Club is running a fundraising campaign for the Redevelopment called '**Help Us Do More**'. While the building works are being funded through State Government and Council grants, together with a contribution from the Club, this fundraising effort will allow us to put the finishing touches to what promises to be a fantastic project. Please consider supporting the campaign with a donation.

Our Club is renowned for having a strong culture. I believe this comes from a hard-working Board that ensures our Values are well defined and that we have clear Strategic Priorities. However, it is our members who put these values and priorities into action, and none more so than our incredible volunteers.

Volunteers who have taken on new roles include:

Di Phillips - Secretary

Di is relatively new to the Club but has already demonstrated that she will fulfil this role magnificently. Please introduce yourself to Di and give her your support.

Graham Wood – Chair of Selectors

Graham has the unenviable task of managing players' expectations throughout the season. Please give Graham, and Peter Hughes, our Chair of Selectors for Thursdays, your utmost support.

Richard Weeks – Bowls Director

Richard has hit the ground running, having organised the pre-season trials and the Unley Cup. I am confident that he will do a great job in this important role.

I am looking forward to representing the Club as your President in the year ahead. I wish all our members a successful, enjoyable and rewarding season, both on and off the greens.

Go SBC!

David McVicar

Our Club

Our history

Many significant people have been members, including, Australian cricket captain and Magarey Medallist, Victor Yorke Richardson, and Australian wicketkeeper and local MP Gil Langley.

Our clubhouse is named in honour of Dr Jack Petchell, a nine-time club singles champion, regular South Australian state player and in 1947 the Australian Singles Champion. "Doc" Petchell was inaugurated to the Bowls SA Hall of Fame in 2021

Key Club Members

Isaac (Izzy) Trenorden

Club Coach

Welcome to the second year for our Club Coach, Isaac (Izzy) Trenorden.

Izzy has now established himself as an integral part of the Sturt Bowling Club, both on and off the green. As our Club Coach and a leader of the Sturt 1st side, he continues to play an important role in developing our players and building a strong club culture.

The Sturt Brand of Play

The key principles remain:

- Be on or beyond the jack – increase our options by trailing a jack, sitting a bowl and drawing the shot and if you miss, you're missing in a good spot for the rest of the team.
- Cheer each other on – celebrate our successes, each end, each day and each week.
- Play smart – play a disciplined, low-risk style of game.
- Win the first end back after the break – be the best club at restarting after the break; regain momentum or turn the momentum.
- Enjoy it – have fun! We all play here because we love bowls and love being part of this club.

Coaching at Sturt

Izzy is available to all Sturt members for coaching and is particularly keen to help players work on specific aspects of their game.

Whether you want to improve your delivery, shot selection, tactics, consistency or confidence on the green, Izzy can work with you to identify areas for improvement and develop your game.

Now that Izzy has a better understanding of skillsets, there will be a slight change in approach.

Coaching times will be

One Week:

- Tuesday: 4:30pm - 6pm
- Friday: 4:30pm - 6pm

Second Week:

- Tuesday: 4:30pm - 6pm
- Sunday: 11am - 12:30

Tuesdays and Sundays will be skills based where skills sessions will be around building the confidence to play different shots with a variety of drills set up for everyone to practice.

Fridays will be match simulation based (the same as it looks most Fridays) where we're encouraging more members to come down to the club on Friday afternoons to practice, enjoy a cold beverage and socialise. Izzy will focus on discussing shot selection, managing pressure and executing with confidence in a casual setting.

Safe Food Handling

Australian Standard 3.2.2A remains a critical component of food safety regulation in Australia. Introduced to improve compliance with food safety practices, this regulation emphasises:

- Safe handling of potentially hazardous foods
- Effective cleaning and sanitising practices

All members who regularly handle food are encouraged to do the Food Safety online course - <https://dofoodsafety.health.vic.gov.au/en/>

This takes approximately 1 hour to complete. Please give a copy of your certificate to Wendy Rutten once completed.

The following are key points to keeping food and customers safe:

- If you are unwell, do not come to the Club and contact Lyn Witt (0413 043 313) for sandwich preparation or David Paley (0416 082 914) for BBQs - with a replacement if possible.
- For night owls volunteering - contact Blue Shirts. Try to find a replacement.

Bowls SA has a Hot Weather policy that requires earlier starting times.

An afternoon tea break shall be taken at 2.45pm for 15 minutes or less from the time the last team leaves the green.

Thursday Pennant Season

For pennant season draw go to metrobowls.com.au

Thursday pennants start with a casual roll up at 9.00am, a formal roll up at 9.30am, with games required to start by 10.00am and continue for 21 ends. Games typically last approximately 3.5 hours.

Bowls SA has a Hot Weather policy that requires earlier starting times, shortened games and/or abandoned games.

Players take a 10-minute break at the completion of 11 ends.

Pre-game Practice

Players can practice on any rink of the green of play prior to the draw of rinks for the game at a time decided by the host club. Side Managers must ensure that the rinks of play are drawn at 12.45pm Saturday, 12.00 noon Wednesday, 9.15am Thursday and 9.00am on early start Heat Policy games. Once the draw for rinks has been completed, players should be notified, and practice must cease.

Scoring

Games are played as follows:

- Fours (2 bowls per player): 21 ends.
- Triples (2 bowls per player): 25 ends
- Pairs (2-2-2-2 format): 18 ends

If a match is declared an early start game under the Heat Policy, then the number of ends played will be reduced to: Fours: 18 ends, Triples: 21 ends, Pairs: 15 ends, with the minimum number of ends completed to declare a game "complete" to be altered.

The side with the highest total of shots for the day from all their rinks is the winner. The team earns 2 points for each winning rink and 10, 8 or 6 points (2 points per no. of rinks) for winning overall.

Drawn rinks split the points. Ladder positions are determined by total points, then by the difference in shots for and shots against so EVERY bowl counts!

The top four sides in each section play knockout finals to determine the winner. A promotion/relegation system is in place between Divisions.

For pennant results go to metrobowls.com.au

Bowls is a Team Game

Leads and *Seconds* are a mini team who, together, do the best they can to get a shot or two up, or at least a close second. If they can get up, then your rink WILL WIN most ends!!

The *Thirds* and *Skips* are a leadership team. They communicate with each other and support and encourage the Leads and Seconds.

Your rink is a team of four and you are in a side of either 16 or 12.

Please note that players are only allowed to walk up to the head under the following circumstances:

Pairs:

- Leads: after delivery of their third and fourth bowls
- Skips: after delivery of each of their second, third & fourth bowls

Triples:

- Leads: after delivery of their second bowl
- Seconds: after delivery of their second bowl
- Skips: after delivery of each of their bowls

Fours:

- Leads and Seconds: after the third player in their team has played their second bowl
- Thirds: after the delivery of their second bowl
- Skips: after delivery of each of their bowls

In exceptional and limited circumstances, a skip can ask that a player walks up to the head earlier than described above.

Home Games (9 in a season)

Pre-game practice: We encourage all players to have a roll up, especially on the green they are playing on. In 2026-27 this will be up to the discretion of the Manager.

Game time: When it's time to start your Skipper will advise which rink number you are on. You assemble and introduce yourself to the opposition players. Play 'starts' with everyone having 2 up and 2 back. This is a very important time to observe the starting playing conditions - the breeze, the speed of the green - and to confirm the amount of grass you will take.

Leads: Whenever it is 'our mat' you place it - immediately - one of your roles is to ensure no time is wasted in between ends.

Seconds: You are the scorer (in Fours) and should check with your opposition scorer after every end is completed and keep the scoreboard up to date every time you are at that end.

Thirds: You are the measurer. Always measure close ones, never give away anything close without a measure. Be patient and polite with your opposition despite their manner!

Skippers: You are the Leader, the Captain. You must be positive and always encourage.

Side Manager: Each side has an experienced player as the Manager. They arrange scorecards and liaise with the opposition Manager to ensure a smooth day.

Afternoon/morning tea: Host clubs provide afternoon/morning tea on Wednesdays/Saturdays. Play stops, everyone sits at a table corresponding with their rink number. Our sandwiches are made fresh by club volunteers. We pay \$6 each per home game.

On Thursday's players bring their own morning tea/lunch. Morning tea is usually taken after 11 ends of play, so it is at different times. Most clubs provide tea, coffee, biscuits etc.

After the game

It is etiquette to invite your opponent in for a drink and a chat. This is followed by a brief summary of the day's results and the presentation to the Rink of the Day. The President enjoys buying everyone a celebratory drink when all teams win!

Duty Rinks

About 3 times a season your rink will be designated as 'Duty Rink', responsible for setting up and putting away the equipment. There is a list of duties posted on both the website and notice board adjacent to the bar in the clubrooms.

Duty Rinks are nominated on each Team selection.

Away Games (9 in a season)

Travel

You are free to travel directly from home or meet at the club. If travelling directly please indicate on the small blackboard (located outside the office). We encourage shared travel, if convenient, and we also encourage rinks to travel together. Departure times are included on the Team Selection notice.

Arriving at an away game

On arrival, look for a notice board that tells you which Green you will be playing on. Go there and have some practice roll ups with your own team members if they are available. All greens are slightly different, and the prevailing breeze should be noticed. Having some roll ups helps you to establish how much grass to take and how fast the green is.

After the game

Everyone is encouraged to return to the club after away matches for a brief summary of the days results and the presentation to the Rink of the Day.

The President enjoys buying everyone a celebratory drink when all teams win!

Mobile Phones

The use of mobile phones on the green or immediate surrounds during play is not permitted. Should a player have a legitimate reason (personal emergency or medical/emergency services personnel) to ANSWER a mobile phone during play they must notify the Umpire of the Day prior to playing. The phone may be carried by the player but must be silent and responded to on the bank away from play.

Pennant Practice

The Club Coach (and other experienced players) is willing to provide coaching, advice, practice drills etc. Please ask. Jacks and mats are kept in the Night Owls room and can be used at any time the greens are open, and there are also a small number of these inside the electrical box outside.

Main Blackboard (outside Night Owls room)

Used for advising of greens availability and giving notice that you have a Club Championship game scheduled. Both Greens are rested every Monday and occasionally during the season for maintenance.

Club Notices

Club Notices will appear around the Season program, the Hot Weather Policy (some games will probably start early), our Club Tournament, other club's tournaments and Greens closures. See our website or the club noticeboard directly adjacent to the bar. We will also be introducing SMS messages during the season.

Club Tournaments

Nomination sheets for Championship Singles, Ladies Singles, and Championship Pairs are on the noticeboard directly adjacent to the bar. We encourage all members to experience the different formats of bowls. Matches are played at mutually convenient times.

Club Functions

We usually hold several functions a year, including an Italian lunch, a Christmas lunch and a quiz night. We need bookings in advance for catering purposes. See the booking sheet on the club noticeboard directly adjacent to the bar. Various other club functions will be advertised on the noticeboard, on the website and in the newsletter.

Bowls SA and Metropolitan Bowls Association

Bowls SA and Metropolitan Bowls Association are the two peak bowls associations in South Australia. Bowls SA looks after state events, club policies and support, and overall governance of the sport. Metro Bowls Association runs the pennant competitions, including the draws, playing conditions and finals.

Club Open Times

From September, the club is open Tuesday - Friday from about 3.30pm until 6.30pm and later if there is an event on. On Sunday we are open from about 10.00am for a couple of hours. You are welcome to bring family and friends for a roll up or to visit the bar.

Our club is 'Open for Business'

In season we conduct Night Owls every Tuesday and Thursday night. Club volunteers are essential to Night Owls' success. We also host approximately 25 social groups, work groups and other sporting clubs for functions throughout the year. We are open throughout the year and have winter bowls for members and friends on Wednesday and Saturday afternoons.

Our 25/26 Club Champions

Open Singles, Women's Singles & Open Pairs Champions

Jono Webster – Open Singles

Jackie Hammond – Women's Singles

Alex Smith & Izzy Trenorden – Open Pairs

Bowling Etiquette

Bowling Etiquette is a 'code of behaviour' that bowlers adhere to around the world. Bowls is a friendly game and consideration for others, courtesy and good manners are a major part of its appeal.

- Bowlers should introduce themselves and shake hands before play commences.
- Bowlers should fairly share the task of kicking bowls back after completion of an end.
- Bowlers should give the Skip their loyal support and comply with directions.
- In changing ends, players should avoid straying onto neighboring rinks.
- Opposing Leads should facilitate play by courteously handing the mat and jack to each other, as convenient.
- It is good sportsmanship to acknowledge displays of exceptional skill.
- Inconsiderate distractions such as loud noises or conversation, visible movement of players, objects or shadows, impact of kicked bowls etc. should be avoided while a bowler is on the mat.
- Possession of the rink belongs to the player or team whose bowl is being played. As soon as each bowl comes to rest, possession of the rink transfers to the opposing player or team after allowing time for marking a toucher as soon as it comes to rest.
- Bowlers should not interfere with the head until the result of the end has been agreed.
- If your opponent plays an unlucky shot, do not show any outward sign of satisfaction at his or her misfortune. It may be your turn next!
- Bowlers should shake hands at the end of the game.
- After the game it is customary to offer a refreshment to your opponent and for the opponent to reciprocate.
- Players should avoid making excuses for their lack of success on the day as a topic of conversation.

Enjoy playing bowls at
our wonderful club!
